EDUCATION:

University of Toronto - Mathematical Applications in Economics and Finance(BSc.)

Sep 2021 - July 2025(In progress)

International Mathematics Olympiad

- Represented my country at the International Mathematics Olympiad(IMO) for 3 years
- Won an honorable mention in 2021.

WORK EXPERIENCE:

Group Business Development(GBD) Intern- ANSA McAL

- Worked with the GBD team on multiple Mergers & Acquisitions projects. Learned a lot about researching as well as excel and powerpoint. Completed a basic DCF model.
- Analyzed hundreds of exit interviews to decrease turnover within the finance department.
- KPI(Key Performance Indicators) average > 4/5 with positive reviews from all my supervisors.

LEADERSHIP:

- Marketing Executive of the University of Toronto's Business Association
- Elected sports house captain for my last year of high school where I led and coordinated 100 students and accomplished each objective we set successfully.
- Lead a Recognized Study Group at the University of Toronto(2021) by holding weekly meetings in order to improve participants' understanding of the course
- Founder and President of my high school Math Club(Presentation College Chaguanas)

EXTRACURRICULARS:

- Played chess competitively for 4 years including winning a local high school tournament
- Volunteer Child Rights Ambassador for the United Nations Conference on Child Rights.
- Participated in my school choir and sang at the Christmas concert
- Proficient with a couple instruments including the Tabla - indian drum
- Played for my high-school's Under-14 football team.
- Participated in Structured debate winning one national competition while developing the skill of effective communication.
- After spending 6 years learning to play the tabla (Indian drum) I volunteered at a local institute for music(BVS) where I taught children the basics
